

Instructions to join Google Classroom

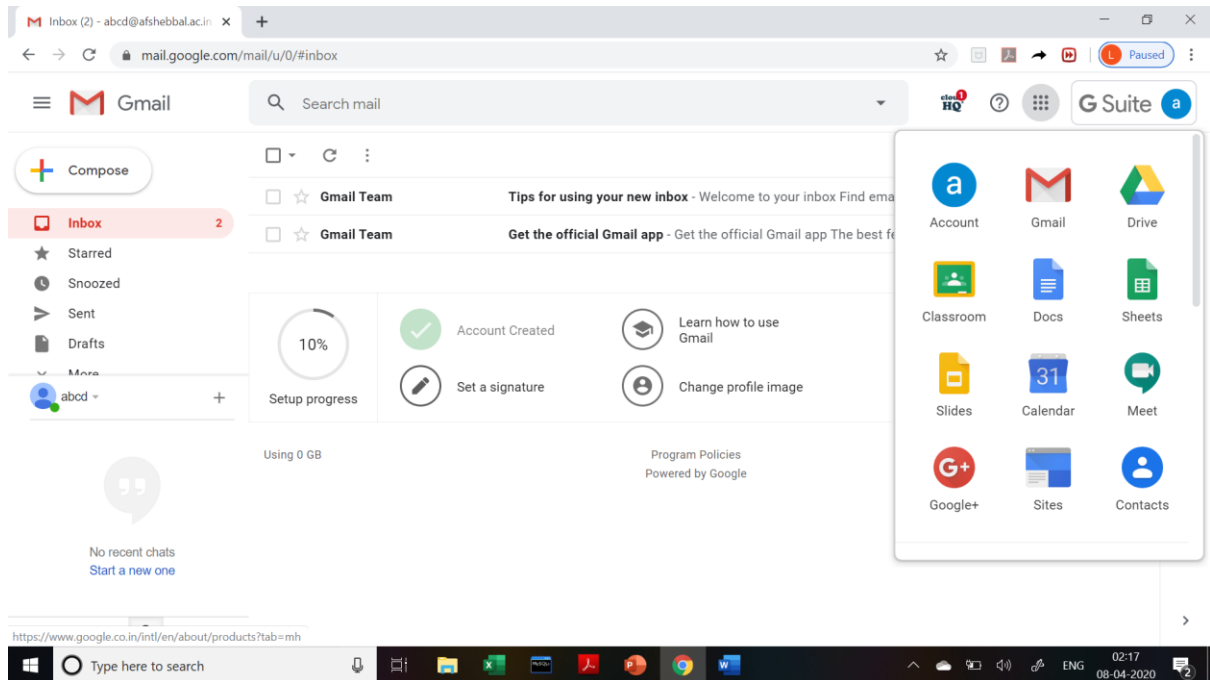

Step 1: Sign in to your school account

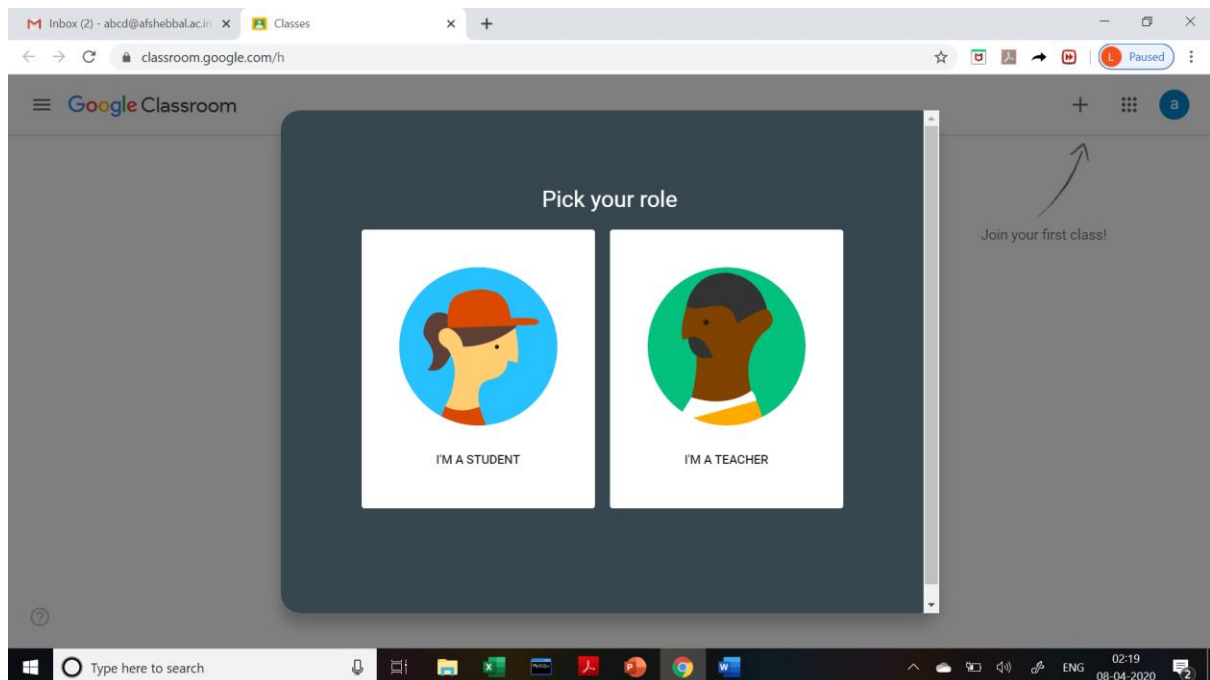

Step 2 : Enter your password

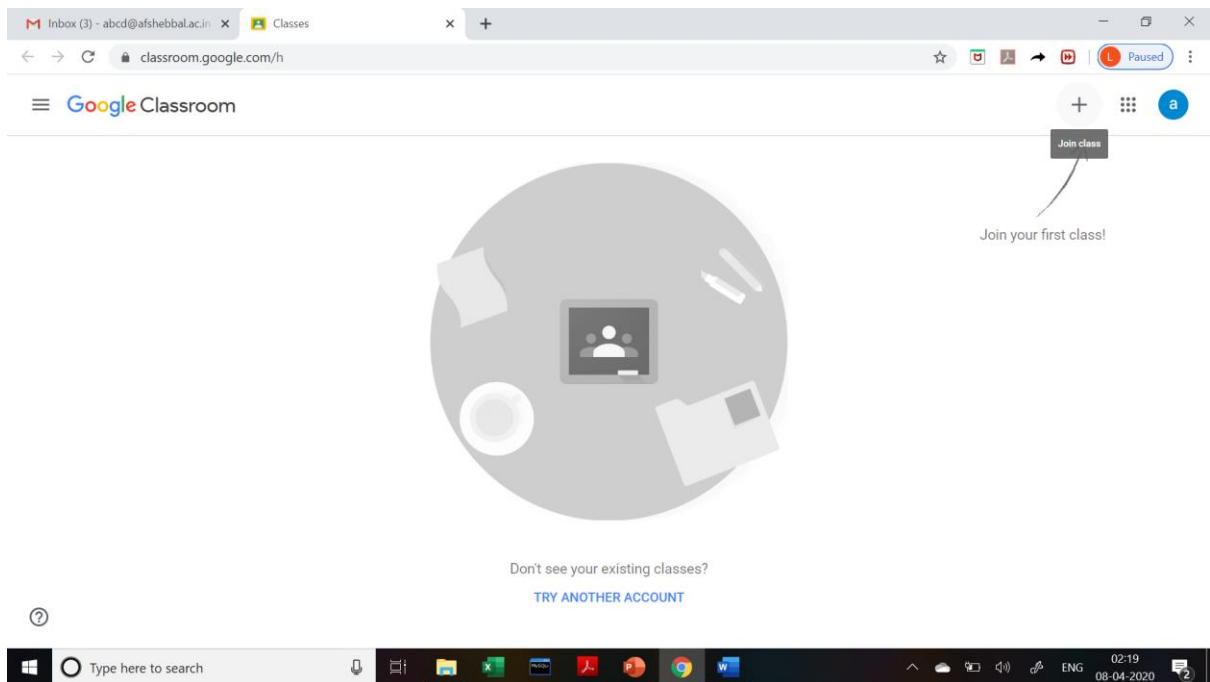

Step 3: Click on the Google apps in the top right corner and choose google classroom

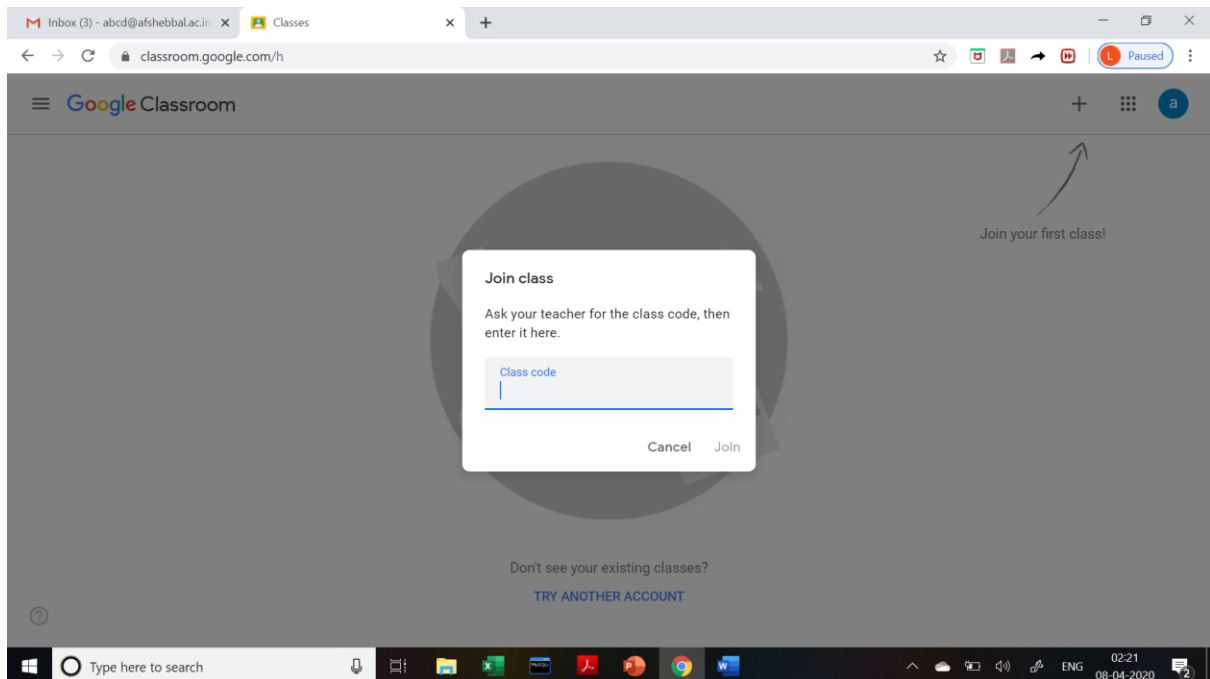

Step 4: If you are a first time user, choose your role as a student

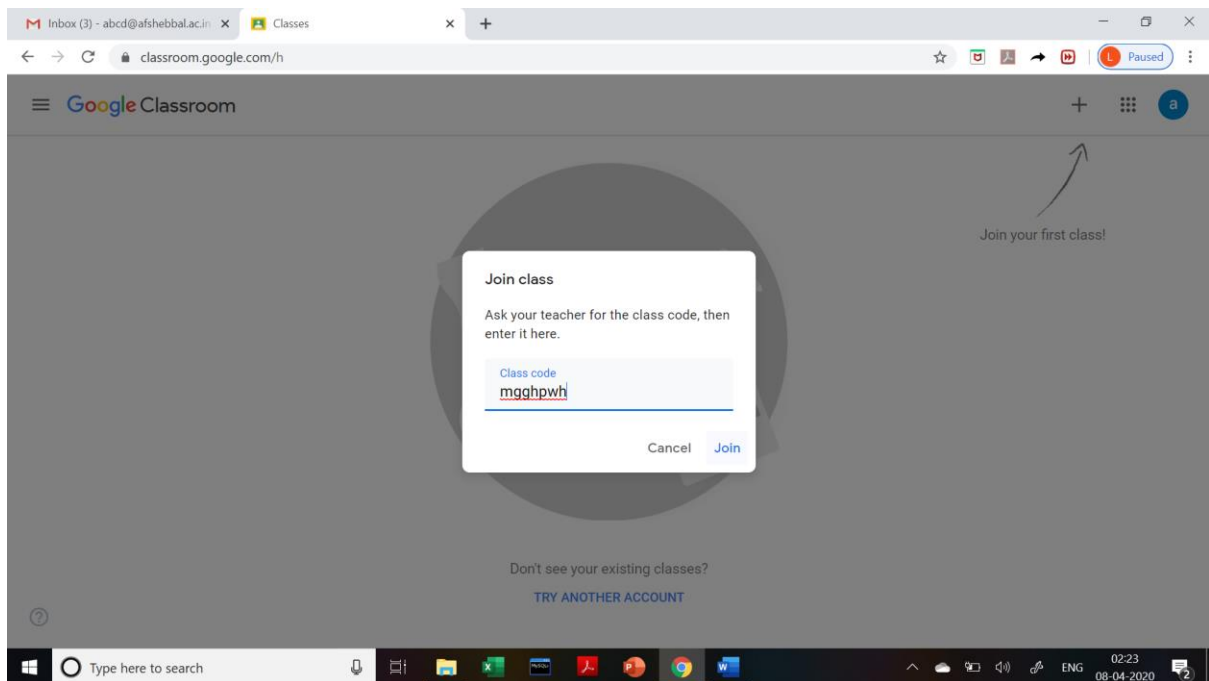

Step 5: Start joining your classes by clicking on the + symbol on the top right corner that says Join Class

Step 6: Get the code from each of your subject teacher and enter it in the given space and click join

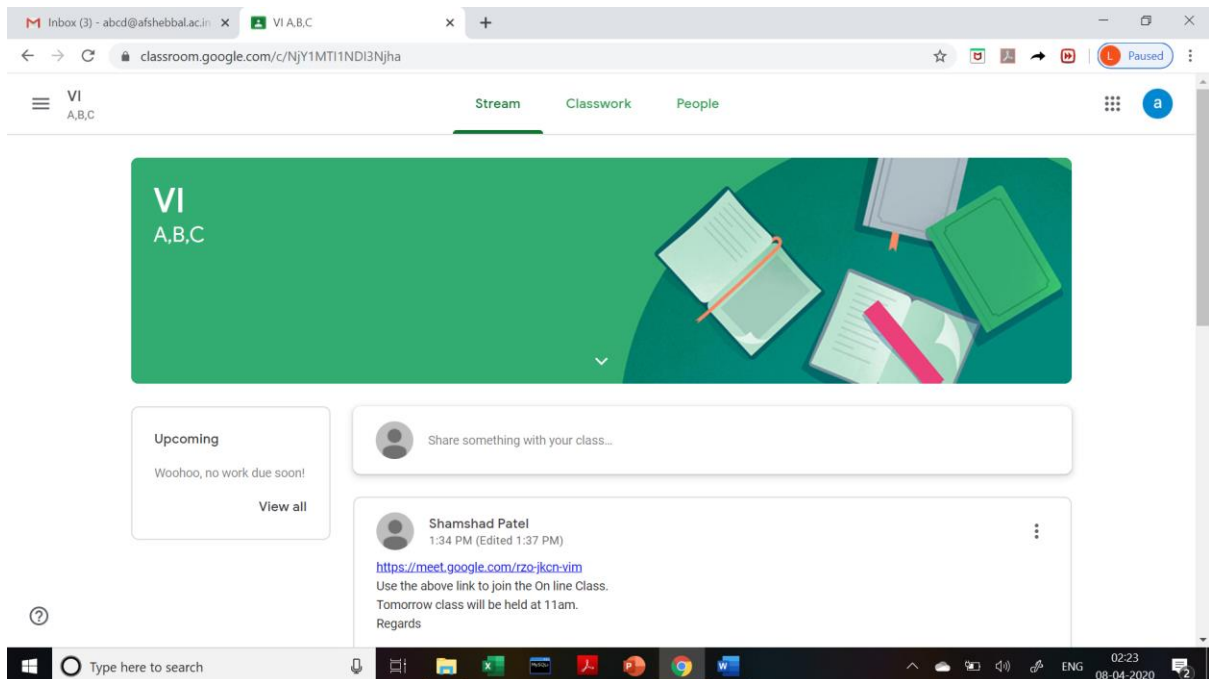

Eg:

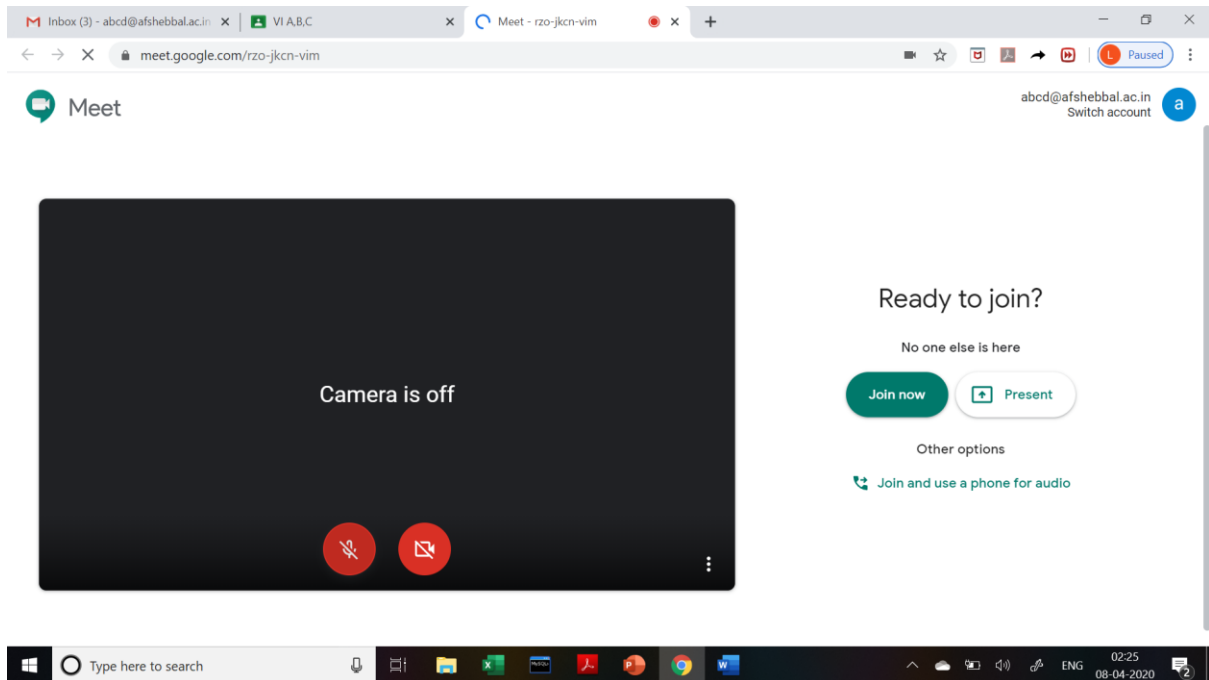

Congratulations!

You have joined the class

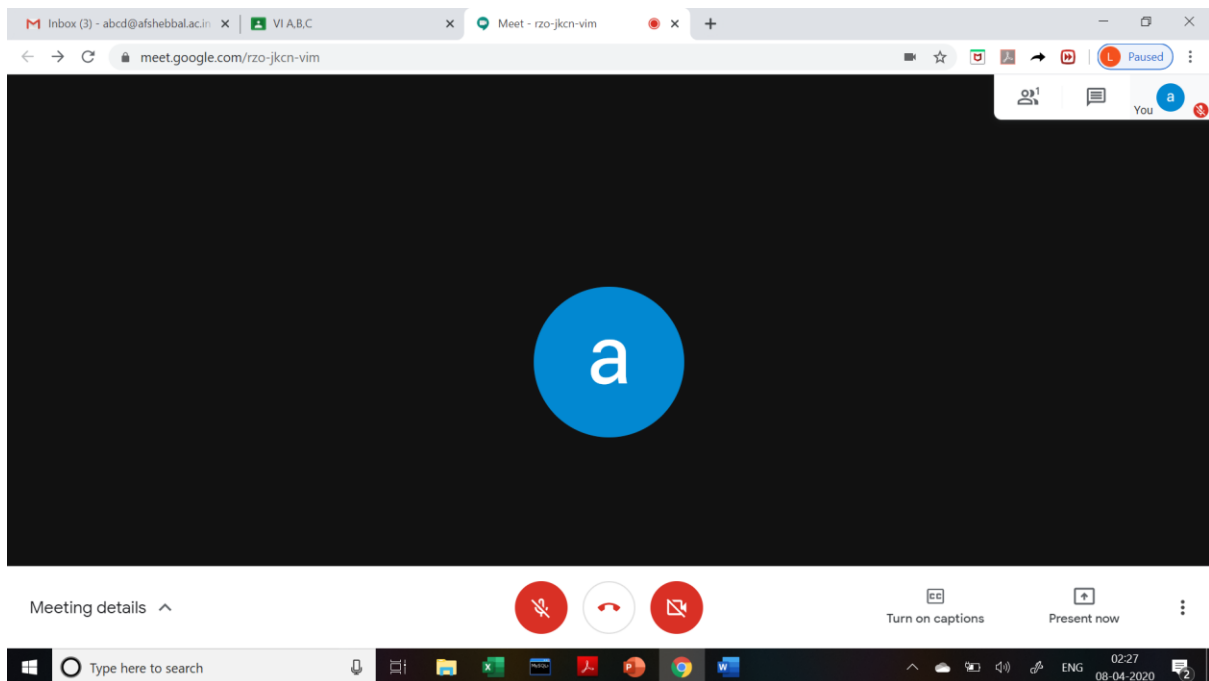

Step 7: Find the Hangouts Meet link in the google classroom and click on it to join the Online class

Step 8: Turn off the camera and turn off the mic

Step 9: Click on the Join Now button

Step 10: End the call after you finish the class.

Happy Learning!
